Dearest Peter:

On this, a special day for me, I want to begin my 60<sup>th</sup> year and tell you how much you mean to me – you're the first today, and I am glad.

You have been and are a marvelous constant in my life... Our friendship means much to me and I feel blessed by your actions, thought and words. You'll be amused (amazed) to know I'm also a "Boar" – so I get a double (never a bore!!) whammy this decade year, as it's my linear year as well as horizontal / vertical – whatever!!

Dear Peter, a tender, long hug and much loving warmth to you on my day.

Loving you,
