

Hi Peter...how are you doing? I was wondering if you ever received the card and photos I sent you? Things are better here. We have implemented all of your suggestions, have moved the T.V into the basement (where it belongs! :-)) and I am napping and . Bedtime doesn't go quite as quickly as it did prior to napping, but it is nice to have a little boy that I can deal with in the evenings. We are all much happier and our home is very peaceful.
Thanks!
