Dear Mr. Haiman:

Thank you for coming out to Laurel School on the 14<sup>th</sup> to discuss some of the burning issues our parents face with their families. Your compassionate and humane approach provided a comfortable atmosphere where parents felt free to bring up their concerns. The two hours simply flew by!

and thanks to you, we gained some fresh insight and ideas for one of life's most challenging assignments: raising children.

Best wishes to you for happy holidays and on into the new year.

Sincerely,

Amy C. Hawes
