

# Keep Babies Busy

# KEEP BABIES BUSY

BABIES WHO HAVE THINGS TO PLAY WITH AND LOOK AT, CRY LESS AND GROW UP SMARTER, TOO. WHEN YOUR CHILD CRIES, HE MAY NOT BE HUNGRY. IF HE HAS EATEN RECENTLY, HE MAY BE BORED AND CRYING FOR A TOY

OR LONELY AND NEEDING TO BE HELD.

YOU REALLY LIKE THAT TOY. DON'T YOU?

BE SURE YOUR BABY'S TOYS ARE TOO BIG FOR HIM TO SWALLOW AND SAFE TO PUT IN HIS MOUTH. TASTING IS A WAY YOUR BABY LEARNS.

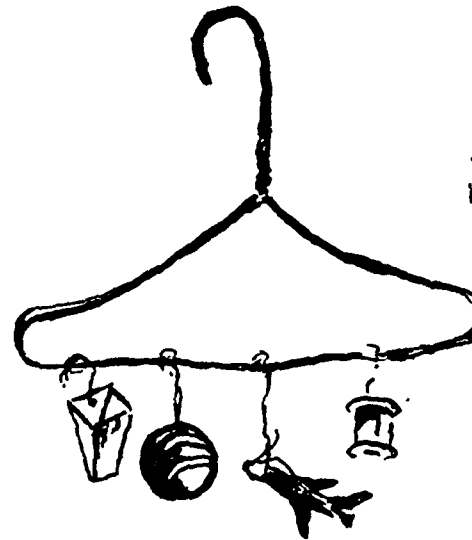

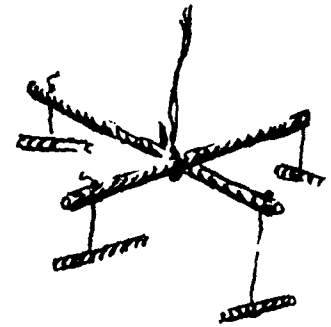

BABIES ALSO NEED THINGS TO LOOK AT. HANG DIFFERENT THINGS ABOVE THE CRIB SO THAT YOUR CHILD CAN LOOK AT THEM.

IT IS IMPORTANT FOR YOUR BABY TO HAVE SOMETHING MOVING AND COLORFUL TO LOOK AT. THIS IS HOW HE LEARNS TO USE HIS EYES.

HANG THINGS WHERE YOUR CHILD CAN SEE BUT NOT TOUCH THEM.

TIE SOME DRINKING STRAWS TOGETHER TO MAKE A MOBILE.

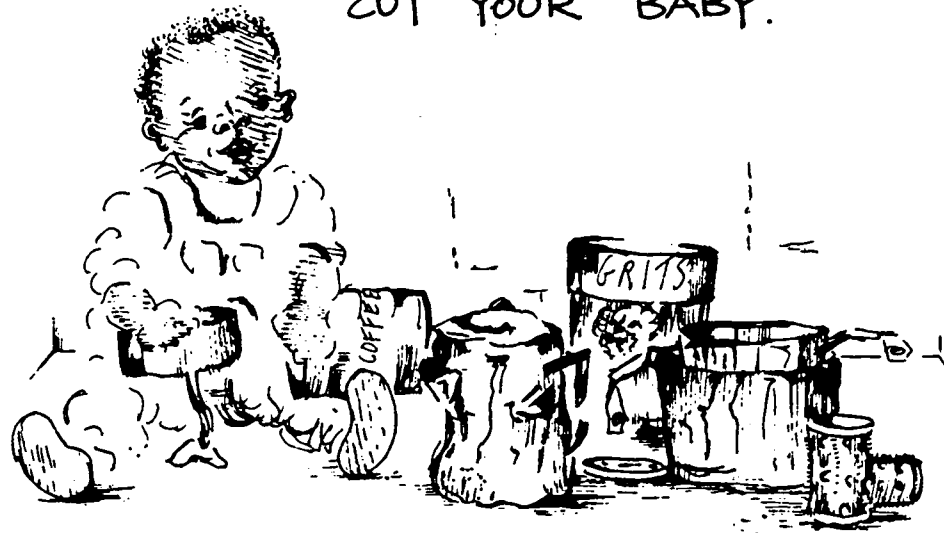

A WIRE COAT HANGER WILL HOLD SEVERAL HANGING TOYS.

HERE ARE SOME GOOD TOYS FOR  
CRAWLERS AND BABIES WHO  
CAN'T WALK YET.

BUT CHECK THEM OUT TO MAKE  
SURE THERE ARE NO SHARP  
EDGES THAT MIGHT  
CUT YOUR BABY.

KIDS LEARN TO TALK BY  
HAVING SOMEONE TALK TO THEM.  
TALK TO YOUR BABY EVEN IF  
HE CAN'T SPEAK BACK.

TALKING TIME CAN BE WHENEVER  
YOU FEED, DRESS, OR HOLD  
THE CHILD. IF YOU TALK TO  
YOUR BABY, HE WILL GROW  
UP SMARTER AND DO GOOD  
IN SCHOOL.

WET AGAIN  
CHILD? WE CAN  
FIX THAT. COME  
ON..... ROLL  
OVER.
