

Kids Copy Their Parents

KIDS COPY THEIR PARENTS

WHEN YOUNG CHILDREN ARE
AROUND OTHER ADULTS, THEY
ARE AWARE OF WHAT IS
GOING ON.

KIDS COPY WHAT THEIR
PARENTS SAY AND DO.

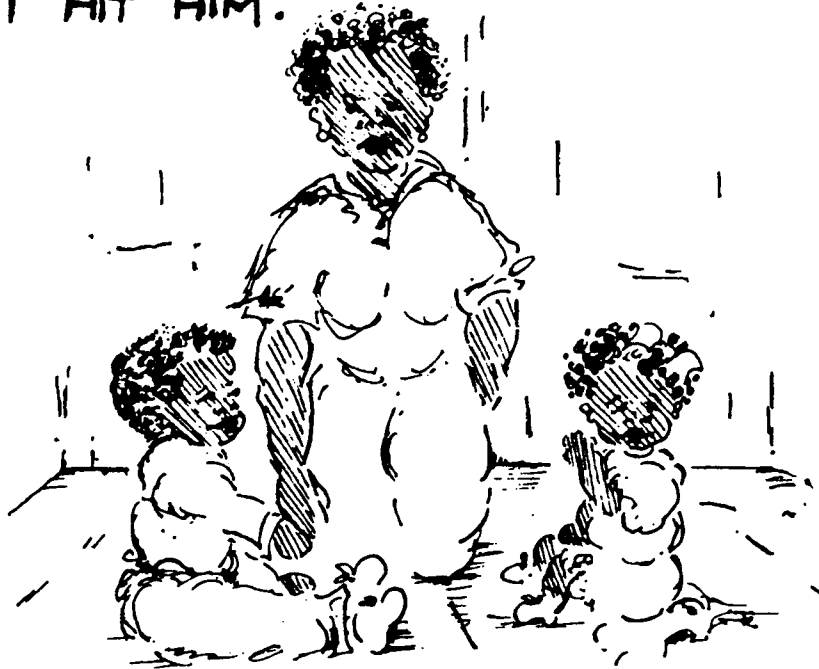

SOMETIMES KIDS CAN GET
THEIR MOTHER UPTIGHT.

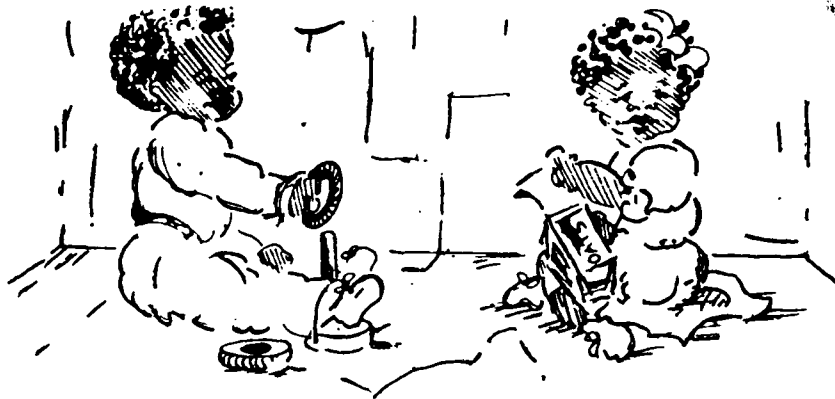

THIS MOTHER FEELS UPTIGHT,
BUT SHE TRIES TO KEEP
HERSELF TOGETHER AND
NOT HIT HER KID. SHE
TRIES TO KEEP HER COOL
BECAUSE SHE DOESN'T WANT
HER CHILD TO COPY HER
BEHAVIOR.

IF SHE HIT HIM HE MIGHT GO
MESSING AROUND WITH SOME OTHER
KID AND CAUSE HER MORE
TROUBLE. SHE STOPS HER CHILD
BY HOLDING HIS ARM BUT DOES
NOT HIT HIM.

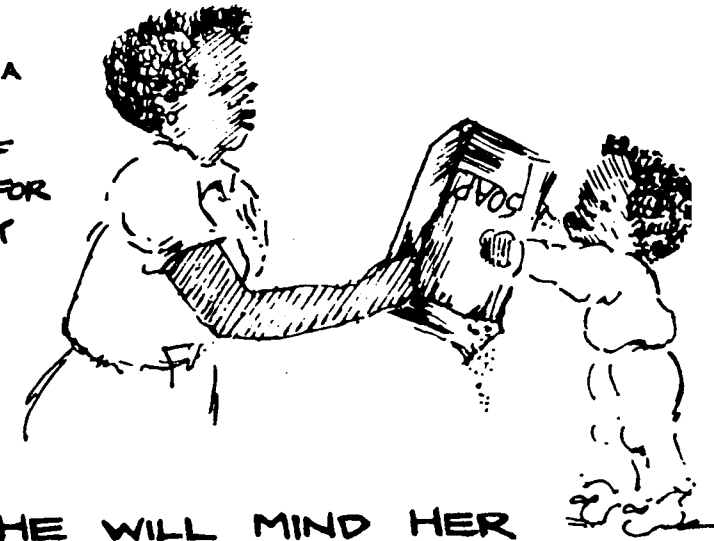

THEN HER CHILD WILL NOT
ACT UP.

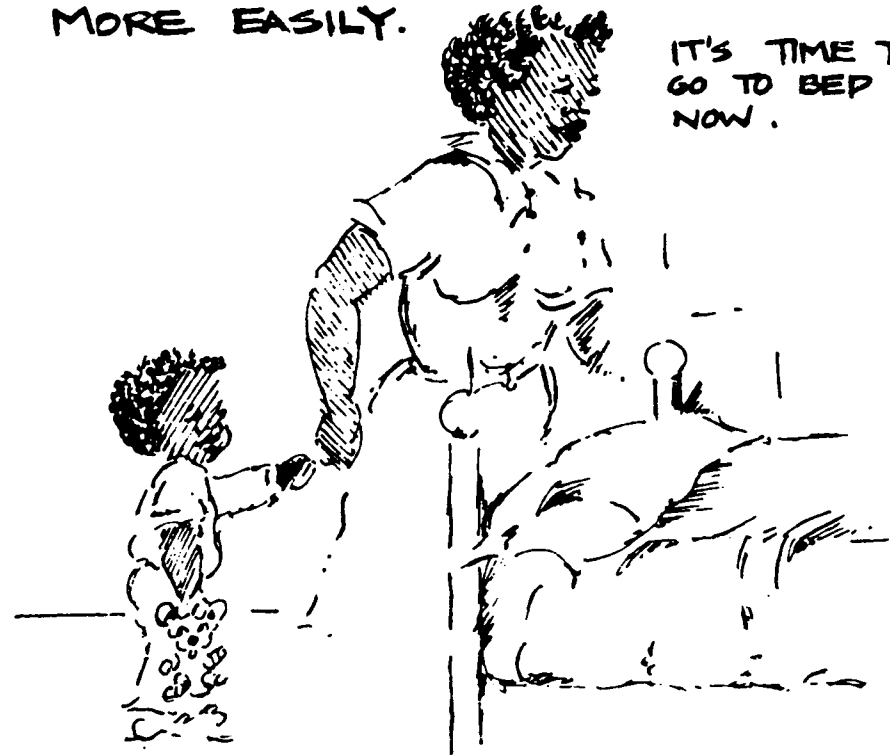

IF A CHILD KNOWS HIS
MOTHER IS FAIR TO HIM

THAT'S NOT A
TOY. LET'S
FIND ONE OF
YOUR TOYS FOR
YOU TO PLAY
WITH.

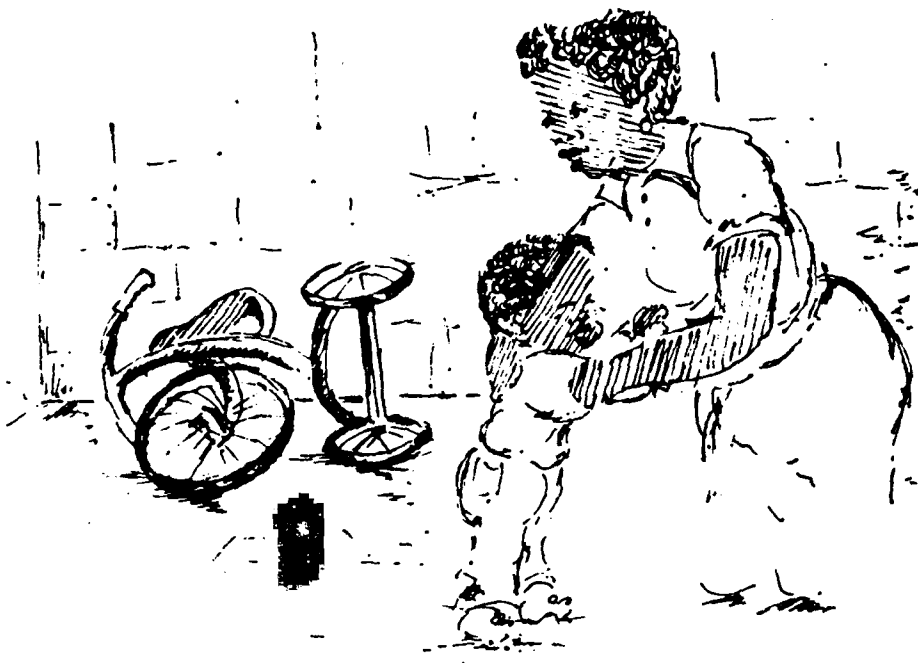

THEN HE WILL MIND HER
MORE EASILY.

IT'S TIME TO
GO TO BED
NOW.

IF A CHILD KNOWS HIS
MOTHER UNDERSTANDS AND
RESPECTS HOW HE FEELS,

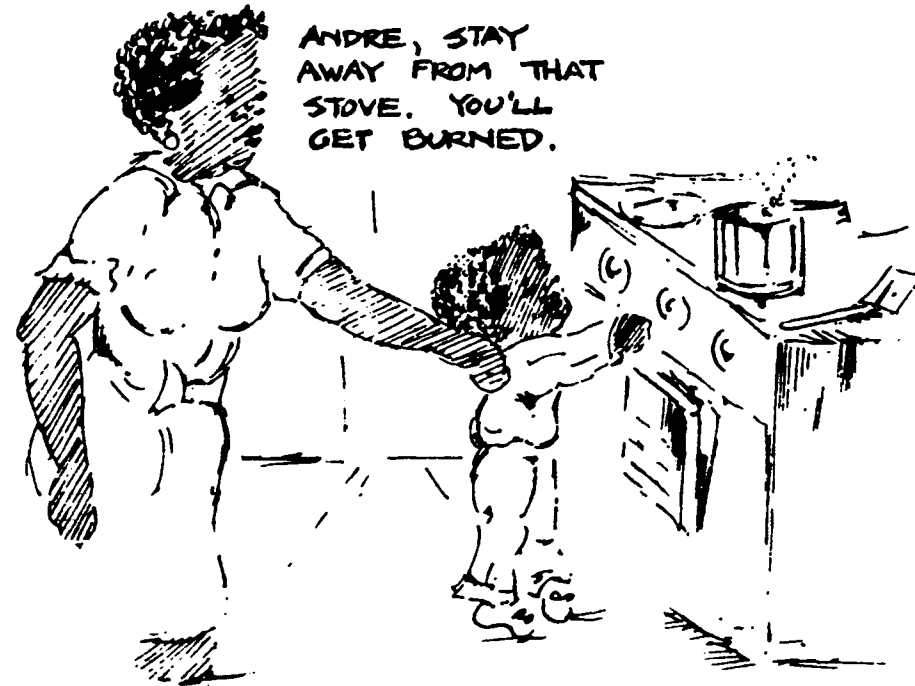

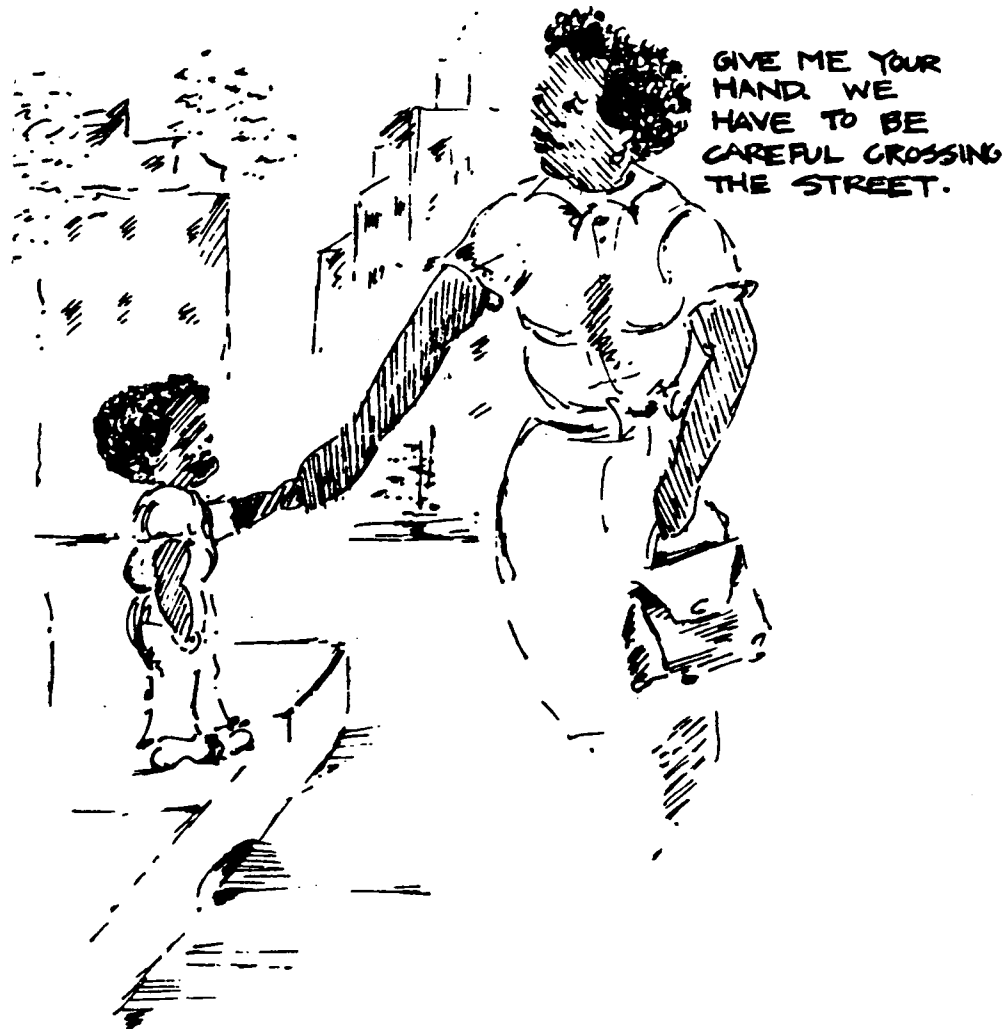

THEN HE WILL UNDERSTAND
AND RESPECT HIS MOTHER'S
FEELINGS BETTER.

IF HE KNOWS HIS MOTHER
CARES ABOUT HIM,

THEN HE WILL PAY MORE
ATTENTION TO WHAT
SHE WANTS.

IF HE KNOWS HIS MOTHER
LOOKS OUT FOR HIM,

HERE ANDRE
HAVE SOME JUICE.

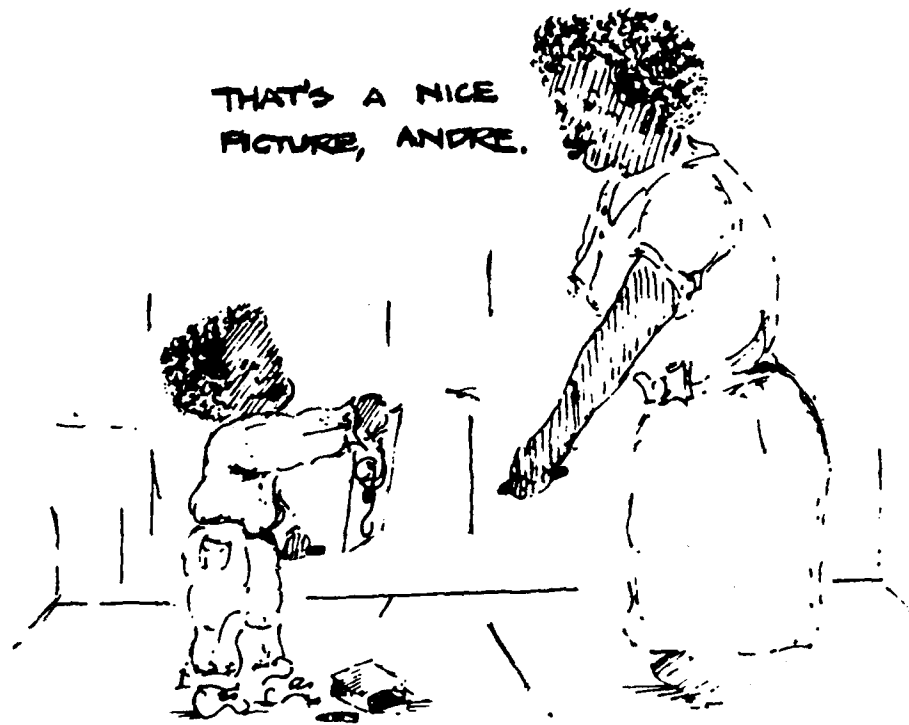

THEN HE WILL BE MORE
WILLING TO DO AS SHE SAYS.

LET YOUR SISTER'S
FOOD ALONE AND
EAT YOUR OWN.

THEN HE WILL GROW UP
TO LOVE AND RESPECT HER.

IF HE FEELS RESPECT AND
LOVE FROM HIS MOTHER,

PETER ERNEST HAIMAN
